Dear Mr. LeSueur:

Thank you for your letter dated December 17, 2008, that was sent in response to my letter dated December 9, 2008, regarding the complaint our office received from Dan Frazier alleging that the political committee YesforMarriage, No. # 200810206 (Committee), did not properly list the occupation of several contributors on its campaign finance report.

Based upon the information and documentation provided in your letter, we have determined that the Committee has established that it made its "best effort" to obtain the required information. Consequently, there is an insufficient basis to find reasonable cause to believe the committee violated A.R.S. §§ 16-915(A), 16-901(13) or 16-904(D). We therefore consider this matter closed.

Your letter also includes a public records request asking to inspect all correspondence in 2008, to, from or within the Arizona Secretary of State's office relating to the compliance of any political committee with the campaign finance reporting requirements of A.R.S. §§ 16-915(A), 16-901(13) and 16-904(D). We have reviewed our files and have found no records that match your request.

Thank you for your cooperation during our review of this matter.

Sincerely,

Joseph Kanefield
State Election Director
